

Class Name: **Serge On ~ Pintucked Pillow**

Teacher Name: **Debby Carter**

Email: quilt_debby@yahoo.com

Class Description

So you know how to thread your serger - what else can it do? Come and make a decorative Pintucked Pillow. You must be comfortable threading your Serger and changing needles and adjusting tensions.

Required Supplies

- A working serger, and manual with stitch tension settings
- Tweezers
- 80/12 Sharp sewing needles (or needles required for your serger)
- Double eyed needle
- Fray Check
- Rotary cutter
- Thread scissors
- 1 yard of fabric for pillow (linen or linen blend, or similar weight)
- 16" pillow form
- 3 spools of thread that coordinate with your fabric
- 1 yard of narrow ribbon (1/8" wide) optional

If you can bring your own iron and ironing mat, that might be helpful as there is quite a bit of ironing involved.
