

Class Name: Shape By Shape: Techniques

Teacher Name: Enjoli Strait

Email: doodlequiltingstudio@gmail.com

Class Description:

This course is designed to teach you how to use the dot-to-dot technique to fill in a variety of shapes within your quilt. The first half will discuss how to execute the techniques freehand and the second half discusses using rulers to help give smoother lines. This course also talks about the importance of sketching for practice.

**Prerequisite: Meander into FMQ, Intro to Rulerwork*

Required Supplies:

- Sewing Machine in good working order with ability to lower/cover feed dogs
- Free motion quilting foot & a Ruler Foot (You MUST have both)
- Panel from Doodle Quilting Studio (included in your class fee, available for pick up prior to class)
- Thread of your choice (I like to use Aurifil or Isacord for machine quilting)
- Your favorite straight edge and curved ruler.

Optional Supplies:

- Quilting Gloves
- Supreme Slider
- Any other of your favorite FMQ or Rulerwork Supplies

***Notes:** Please have your quilt sandwich prepped before you arrive at class. There will be a small selection of rulers for you to try, but I recommend that you have your own in order to get the most quilting time out of class.
