

Class Name: Slow Stitch Study

Teacher Name: Andrea Archer

Phone: 677-8790

Class Description:

All levels are welcome as we learn hand embroidery stitches while working on our own projects or creating a stitch sampler.

This is a great class to take as you work on Fresh Cuts BOM or to expand your hand embroidery skills.

Every month, 6 or more new stitches will be introduced. A review of the basic stitches will start our sessions building towards more complex combinations.

Books, patterns and sewing notions will be reviewed during each class. These will be made available for optional purchase.

Required Supplies:

- Hand embroidery project of your choice
- Notebook for notes
