Class Description:

Need a fun and quick gift for someone who loves to write or doodle in a journal? This class is for you. We'll create a journal with a fabric cover and scrappy notebooks to go inside it. The journal is kept closed with elastic cording embellished with a metal charm and the notebooks are held in place with more elastic cording. Once the notebooks you create are full, you can replace them with other handmade notebooks or the cover will fit small commercially made notebooks (e.g., Moleskine or Field Notes).

Required Supplies:

- Paper, cording and charm kit available from Carrie on the day of class
- Muslin – ¼ yard
- Fabric for exterior of cover – 7" x 9" or fat quarter
- Fabric for interior of cover – 7" x 9" or fat quarter
- ¼ yard of Kraft-Tex or 140lb watercolor paper – 2 pieces cut to 6" x 8"
- Sewing machine in good working order with standard foot

Optional Supplies:

- Screw Punch (Carrie will have them for you to use)
