Class Name: V8 is great – Part 3 – Auto Digitizing

Teacher Name: Gene Looman
Email: gene@aksewinman.com

Class Description:

In this class we will learn all about all the exciting auto digitizing capabilities in the software. V8 has add some really awesome auto tools to the software to include: color photostitch, Monogram wizard, magic wand centerline, magic wand without holes, magic wand block digitizing, and a greatly improved auto digitizing tool!

Required Supplies:

- Laptop with V8 Software installed
- Power Cord
- Mouse (Optional but the program is much easier to use with one instead of just the track pad on the laptop)
- Pen (writing utensil of your choice)

Optional Supplies:

- Small table top light

*Notes: anything else you'd like to mention to your students
