Class Name: V8 is great – Part 5 – Advanced Digitizing

Teacher Name: Gene Looman
Email: gene@aksewinman.com

Class Description:

This is the class for those people that want to create their own original designs. We will spend a lot of time on building good digitizing habits to get the best quality designs. This class will help you take digitizing to the next level.

Required Supplies:

- Laptop with V8 Software installed
- Power Cord
- Mouse (Optional but the program is much easier to use with one instead of just the track pad on the laptop)
- Pen (writing utensil of your choice)

Optional Supplies:

- Small table top light

*Notes: anything else you'd like to mention to your students
