Class Description

Don't fear the zipper!! It's the easiest zipper you'll ever install, I promise!! This practical pouch is fun to make. They can be used for just about anything and once you've made one, you can easily adjust the size to make just about any size zipper pouch you need! My favorite uses are to tame my electronic cords when traveling & to contain notions in my sewing bag. It's also a great way to use a pretty trim you've found, but don't know what project to use it on!

Required Supplies

- One roll of vinyl mesh
- 1/2 yard of trim to coordinate with the vinyl mesh (1/2" wide or larger works best)
- One coordinating 14" nylon zipper
- Matching thread for vinyl & for topstitching the trim
- Wonder Tape
- (10) Wonder Clips
- Contrasting color marking pen to mark lines on zipper.
- Sewing machine (don't forget foot pedal & power cord)

Optional Supplies

- Chopstick (nothing sharp) to help poke out your corners.
