Class Description

Do you LOVE the Dream Big panels? So does Enjoli! You've seen all the beautiful quilted Dream Big panels, now you can quilt one up for yourself during this 2-session class. Session one, we will discuss design options, do some drawing and prep our panel. Session two we will spend our time quilting our panel!

There will be panel/thread kits available for you to choose to get the perfect blend of thread in your panel.

Required Supplies

- "Dream Big" or "Dream Big Leaf" panel – sandwiched and ready to quilt.
- Threads to color match your panel, or one that will blend with all the colors.
- Sewing machine with ability to lower or cover the feed dogs for FMQ.
- Free motion quilting foot and Ruler foot if you want to add some rulerwork.

- Note: I'll show a variety of options for quilting your panel but give some thought ahead of time to what you might like to do. There are so many options for these panels but having a plan ahead of time will help you use your class time more efficiently!

Optional Supplies

- Drawings of what you'd like to quilt on your panel – or at least give it some thought before class.
