

Beginning ruler work 2.0

With Angela's Rulers

Presented by Cody Chenevert

Supply List

In this class I want to take your quilting to the next level with rulers. You've got the basics but now let's add to that. Angela Walters has some awesome rulers that are so much fun. We will cover four of her rulers. I am not requiring you to purchase these rulers we are going to be using a class set. Rulers being used are; Squiggy, Slim, Chevy, and Elvira.

- 2.0 Kit (includes 18x18 quilt with batting and design drawn on top)
- Topstitch 90/14 needle
- Marking pen (Frixion)
- Ruler foot (BERNINA #72)
- Slide on table for machine to give you a larger work space
- Thread (I am recommending a light color nothing too bold but not a white, also I love working with Isacord thread)
