Learn how to create the stitches to quilt a lap quilt on your Baby Lock or Brother embroidery machine with built in IQ Designer or My Design Center!

Join Jerry Hunter in a new Dream Big class for embroidery machines with either IQ Designer or My Design Center. You will use the built in stitches and motifs on your machine to enhance your fabric panel. During this class you will get started with the center petals of the floral design and will leave with the knowledge to complete the quilt on your own. You will stitch your designs on your embroidery machine on a Dream Big panel to create a 42" x 41" lap quilt or wall hanging. The purchased kit will include the panel, backing, and batting.

The kit fee payable to the instructor on the day of class is \$20.
