In this class we will make an organizer bag. Divide & Conquer can be made in 2 sizes with adjustable handles and full-width exterior pockets. The bag opens like a suitcase to reveal handy see-through zippered compartments on each side. Attached pocket pages on the inside store and organize a multitude of smaller items. This bag can be customized to our specific needs. It has an optional strap on the back that slips over handles on rolling luggage. Depending on the size you want to make, you will need 1 (one) yard of fabric for the small and 1-1/2 yard of fabric for the large size. This bag organizes and stores a lot of supplies!!

Pre-Class preparation

Purchase the pattern on the ByAnnie website. Don't prewash your fabric but put the 3 layers together; main, Soft and Stable and coordinating fabric and quilt the three pieces together. Cut out all the quilted fabric pieces and seal the edges. Cut out the remaining pieces required for the project and attach the included labels to keep track of all the various components. I will bring my Creative Grids Circle Rulers for your use in class. This is a big project and WILL require you to do homework. Call me if you have any questions. Debbie 510-410-0345
