

# Introduction to Embrilliance Essentials Software

**10am - 1pm**

with Jerry Hunter and Kim Lounsbury

Join Jerry Hunter and Kim Lounsbury for this education class on Embrilliance Essentials software. They will introduce you to some of the features such as design editing and sizing, density and working with fonts.

For your convenience, Jerry will be providing a flash drive with the designs/pdf loaded on it. A kit fee of \$2.50 is payable to Jerry on the day of class.

## ***Supplies Needed***

- Laptop computer with mouse and power cord, with the latest version of Embrilliance software installed
- Working knowledge of using your computer, including:
  - Basic control/command functions
  - Uploading a file from a flash drive
  - Right click (for Mac users)
- Paper and pencil for taking notes.
