with Kim Fox

This quilted tote is the perfect “on-the-go” bag for your sewing projects. It features a zipper on the top and pockets on the inside – one pocket is big enough to hold your pattern book, and the other pocket has a zipper for easy storage of those little tools that always fall to the bottom of other bags. The bag is embellished with a beautiful zigzag and prairie point trim; use the Prairie Point ruler by Quick Points to easily make a row of perfect prairie points. Eliminate the last step and you’ll have a beautiful zigzag or large rickrack. Finally, add a cute trim to the bag handles and you’ll be ready to tote your sewing projects around in style!
