with Lendel Stanley

This is a beginner class for those who want to learn strip quilting. You will purchase a Jelly Roll, sew strips together, quilt and put the binding on your table runner. A jelly roll is a bundle of fabric strips that measure 2 1/2" wide by 44"-45" long. Most jelly roll bundles contain 40 strips of fabric in a variety of coordinating colors and prints.

Supply List:

- Sewing machine in good working order (you must have a basic working knowledge of your sewing machine) ✓
- Quilting sewing machine needles ✓
- One Jelly Roll (in Christmas colors if you want to make a holiday runner) in any color you like
- Backing fabric for your quilt. This should be slightly larger than the finished size of your table runner, so approximately 45"-48" by 2" times the number of strips used for your table runner. In the class sample, Lendel used 6 strips, so her table runner is approximately 12" wide.
- Thread to blend with your fabric or invisible thread ✓
- Bobbins, prewound with thread to coordinate with your fabric ✓
- Travel size cutting mat (Optional but useful) ✓
- Seam ripper ✓
- Scissors ✓
- Travel iron and pressing board (optional, but handy as we will be doing lots of pressing) ✓
- Clips and/or pins ✓
- 1/4 inch and stitch-in-the-ditch presser foot ✓
- Walking foot that fits your machine ✓
- Extension table to fit your machine (optional) ✓
- Quilt batting two inches larger than your table runner (Warm and Natural or similar)
- Quilter's gloves (optional) ✓

Note: Pick a fabric you like for your backing and you can make it double sided. Or you can use your jelly roll strips to make your backing. Your table runner will be approximately 12" wide by 3-4' long – you will need to measure your table to determine your desired length.
