- Needles ✓
- Clips and/or pins ✓
- ¼ inch presser foot ✓

**Fabric:**

WOF = width of fabric

In our first class I showed you how to use the half Square Triangle tool, the Tri-Tool, and the Rec-Tool to create the perfect shapes no matter the size square you plan to sew. You may use all the same fabric for each color, or you may mix them up, whichever you prefer. Note that the instructions say "Black, white or red" so you know which piece I'm talking about. You may use any color to fit that position in your square.

And save all your scraps for future squares!!!
