# Quilting Blocks Club <br> Twelve Flying Geese Square 

## Class \#8

with Helen Coleman
We learned how to use the shortcut to make flying geese last month. This month we put it into practice with a square that used 12 flying geese. If you want to have 16 geese, you could put them in the center square, but I think that is overkill.

Supply List: ( $\checkmark$ indicates you can buy this at Dublin Sewing Center)

- Sewing machine in good working order $\checkmark$
- Threads to blend with your fabric $\checkmark$
- Bobbins, prewound with thread to coordinate with your fabric $\checkmark$

- Travel size cutting board (Optional but useful) $\checkmark$
- Quilters' squares in various sizes $\checkmark$
- Rotary cutter $\checkmark$
- Seam ripper $\checkmark$
- Small scissors or snips for cutting thread $\checkmark$
- Travel iron and pressing board (optional, but handy as we will be doing lots of pressing)
- Needles $\checkmark$
- Clips and/or pins $\checkmark$
- $1 / 4$ inch presser foot $\checkmark$

And remember to bring all your scraps to class!!
