- USB stick with loaded project design ✓

✓ Denotes items available for purchase at Dublin Sewing Center. These items should always be purchased at Dublin Sewing Center to ensure that you have the correct product and to ensure that we can continue to teach these Clubs at a low price. Please remember, though, that we only carry a few of each item at a time so it is best to purchase your items prior to the class (in person or by phone).

**Pre-Class Preparation:**

- USB stick with loaded design for OESD SOE06 project file or if you wish to purchase a Christmas border, OESD has quite a selection to choose. You will need to resize so the length is 5 3/16" to match the class file. If you don't have the software to do this, email Kim your design by December 1.
- Printed instructions emailed to you.
