Fun with your Cutter – Screen Printing and Rhinestones! with Jerry Hunter and Elaine O’Hanlon Cutting Stencils and Screen Printing

Join Jerry Hunter and Elaine O’Hanlon as we use our cutters to cut screen print stencils, and then, using the kit, we will screen print on to a t-shirt or item of your choice. We will also bling it up with Rhinestones!

We will supply the screen print ink and vinyl for the stencils. If you would like us to provide the screen print frame and squeegee, the fee for this class is \$25.00 (payable in class). If you have your own frame and squeegee from a previous class, the kit fee for the ink, vinyl and rhinestones is \$5.00

Supplies Needed

- Brother Scan N Cut 2, Silhouette Cameo or Cricut Air or Maker cutting machine with all cords and cables (please be sure your cutting machine has been updated with the latest firmware updates) ✓
- Cutting Mat and weeding tools of your choice. ✓
- Laptop computer (for Silhouette Cameo). For Cricut users, you will need a laptop, tablet or phone to connect to your cutter.
- Silhouette Studio software installed on your computer (for Cameo users)
- A flash drive so we can give you the design for your cutting machine. ✓
- A t-shirt or garment/fabric item of your choice
- Screen print frame and squeegee (if you already have one)

We will have the Creative Minds cut file, but if you would like to use your own design, please have a cut file ready to cut, as we will not dedicate any time to tracing or creating a design.

There is no before class preparation, other than finding a design for your project, however, if you need the screen print frame and squeegee kit, **PLEASE CALL THE STORE BY FEBRUARY 1!**
