

Linden Sweatshirt
February 28, 2019
10am-2pm
with Elaine O'Hanlon

The Linden Sweatshirt gives a modern update to the classic sweatshirt. This sweatshirt is perfect for layering. It has a relaxed fit with or without a banded bottom, raglan sleeves, and a slightly scooped neckline. Join Elaine for another great class!

Note: While this sweatshirt can be sewn on either a serger or a sewing machine, we will be using a sewing machine for this class.

Supplies Needed

- Linden Sweatshirt pattern (must be ordered in advance) ✓
- Fabric:
 - Knit fabric as required for your size (please see the back of the pattern). This pattern is written for knit fabrics with at least 20% width wise stretch (perpendicular to the grain). To test the stretch of your fabric, measure out and mark a 5" wide section a few inches in from the selvage. Be sure not to include the selvage in the square as it will affect the stretch of the fabric. Stretch the fabric just as far as it naturally wants to stretch, do not overstretch. If the fabric stretches to at least 6" then it should be suitable for this pattern.
 - 36" wide ribbing as required for your size. Alternatively, you can use your knit fabric, but be sure to add the appropriate amount of yardage.
- Notions and other supplies
 - Sewing machine in good working order, with accessories and manual ✓
 - Fabric scissors ✓
 - Pins ✓
 - Swedish tracing paper (optional) ✓
 - Thread to match your fabric ✓
 - Twin stretch needle (optional) ✓

Pre-class Preparation:

- If you know your size, you can cut out your pattern and fabric before class.

✓ Denotes items available for purchase at Dublin Sewing Center. These items should always be purchased at Dublin Sewing Center to ensure that you have the correct product and to ensure that we can continue to teach these Classes at a low price. Please remember, though, that we only carry a few of each item at a time so it is best to purchase your items prior to the class (in person or by phone).
