If you have made any of the Pamela's Patterns tees, you know how well they fit! The Pleated Back Flowy Tee is a NEW pattern from Pamela's and we love it! The silhouette is flowy with a tunic length, and a slightly longer back. The front is semi-fitted, but the back is what will catch your eye! The lower back has a shirt tail hem and box pleat. There are two necklines and several sleeve lengths to choose from. We know you will love this new Tee!

Note: While this shirt can be sewn on either a serger or a sewing machine, we will be using a sewing machine for this class.
