## **Project Bag 2.0**

Instructor: Tricia Schroeter

Location: In-person at TrishTacSew

Project Type: Bag

Finished size: 13.5" x 13.5"

### **Class Description**

Great for organizing everything you need for each of your projects. These handy zippered bags come in four sizes and have sturdy quilted bases and vinyl windows for visibility of contents. The pattern includes instructions for two styles of border on the bottom: a pieced border or a single fabric border.

We will be making the **LARGE BAG WITH A SINGLE FABRIC BORDER** in class.

We'll use the Project Bags.2.0 pattern ByAnne. Available for purchase at TrishTacSew.

### **Skill level**

Beginner

Participants should be familiar with their sewing machines, basic piecing and sewing accurate  $\frac{1}{4}$ " seams.

### **What does class fee include?**

- Class fee covers instructor, facilities costs only.
- Project supplies need to be purchased separately before class.
- All supplies are available on-line and in-store at TrishTacSew
