Quack Quack Moo
Try this adorable panel
and coordinates in the
Field and Fences pattern
from Tourmaline &
Thyme. Also available is
Barneyard 123, a soft
book panel.

Boho Buddies

This cute line from Henry Glass is still waiting for a perfect pattern. We're hoping to find something that combines the two panels. Perhaps Farm Fresh from Villa Rosa Designs?

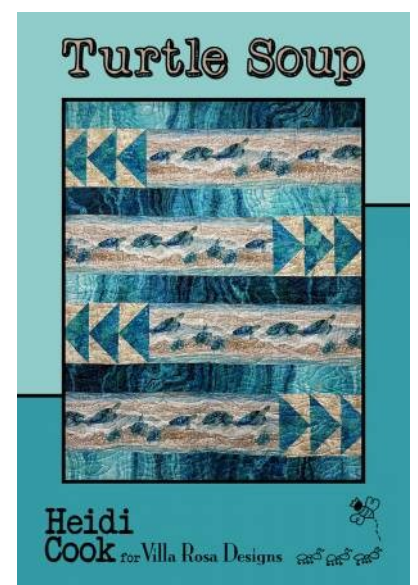

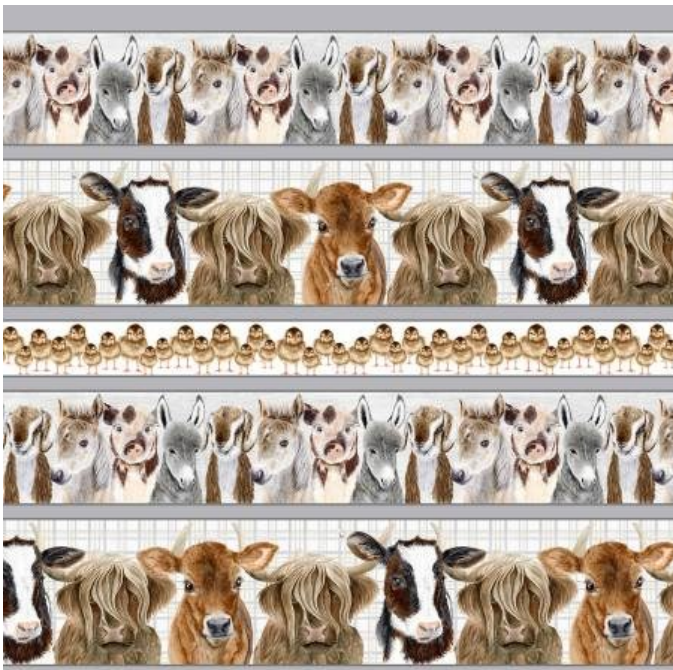

Little Seedlings Farm

Highland cows and cute chicks! Count all that can be found on Little Seedlings Farm in this cloth book panel. As for the bold border, try Bridges or Turtle Soup.

Both are great for directional fabrics.

We carry many cloth book panels at Stitch N Sew. Here a few new ones. They're perfect for little ones that are just learning to love story time.
