- Bag Lining - 1 Yard
- Accent Fabric - 1/3 Yard
- Fusible Woven Interfacing (SF101) – 2 ½ Yards
- 1/8 Yard Pellon Peltex 72F

****Homework****

IMPORTANT! In order to complete this bag in class, please be prepared and have all of your Pieces cut out and fused. Use the Tote Labels included with the pattern to label all of your pieces. We will begin the class with the construction of the bag.

1. Read through the pattern directions
2. Cut out all fabrics and fusible interfacing
3. Fuse the fusible interfacing to the respective pattern pieces
4. If you have any desire to quilt the exterior of the bag, this is the time to do so
