SWN Gift Certificates Make Great Gifts!

April is National Serger Month. There is a Serger Basics class in each store to encourage you to get going on the serger you have. The Serger Pillow classes provide an opportunity to use a variety of stitches and will be adapted for 4-thread and 5-thread owners.

Of course, there will be specials on sergers to help you get going serging! It really is fun, once you get over the concerns about threading.

There are a variety of specials on sewing and sewing/embroidery machines. If you are thinking about a new machine, please come and let us show you some of the wonderful features that make sewing SEW enjoyable.

How are you coming on your Spring cleaning? It is going slower than I had hoped at home, but company is coming to our house toward the end of the month, so that will get me going! Sometimes it takes a little encouragement to get at the things we know should be done.

Happy Spring!
