

# Gingerbread & Sew Much More

It sure would be nice to take a nibble out of this cute and adorable wall hanging! Come one, come all and pick out your cute gingerbread cookies and help them find a home on a wall! This class will help quilters learn to read a pattern and modify using less cuts and pieces. I will teach this process by rotary cutting and with the AccuQuilt cutter. Mix and Match Qube 8 is the way to go!
