### Sewing instructions

1. Cut fabric for stars into 8 and 3/8 inch strips
2. Layer a light and dark 8 & 3/8 inch strip right sides together.
3. Using a 1/4 inch seam allowance stitch the long sides
4. Mark stitching lines for 4 & 5/8 inch rectangles leaving 1/2 inch between them to give 1/4 inch seam allowance when you cut them. Verify that the diagonal from corner to corner of the stitching line is 60 or 30 degrees.
5. The diagonal lines are cutting lines.

6. With a 2.0 straight stitch the lines to complete your rectangles
7. Starting at one end cut the rectangles apart and then cut across on the diagonals .
8. Press triangles open . You get 2 types of triangles .

9. Arrange the triangles in three rows of 3 to your liking.
10. Sew three triangles together into a row and then sew the three rows together. Creating a larger diamond shape.
11. Cut sashing into 2 & 1/2 inch strips
12. Stitch sashing to sides of the larger diamond shape
13. Layer with batting placemat top
14. Quilt using the stitch and ditch foot.
15. Trim excess batting
16. Place backing right side together with top.
17. Stitch around leaving an opening to turn it
18. Slip stitch the opening closed.
19. Using the adjustable guide foot topstitch 3/8 inch from the edges of the quilt. To complete the placemat.
