

# Deb Canham Serger Event

Please bring to class the following:

A serger in good working condition with cord and foot pedal and attachments. A overlock/combination machine is ideal. Don't forget both tables for combination machines.

You will also need a rotary cutter, chalk or frixion pen, ruler, pins, clips.

All the fabric and decorative threads are in the kit and will be cut out and ready to sew.

## Flirty Backpack Class

We will be making this in identical fabrics so we will need 4 spools of serger thread.

- Black
- White
- Periwinkle Blue
- Pink

You will also need a P5 Cording foot (Babylock) and Piping foot large for Bernina L890.

A Lace Applicator foot would help but is not essential.

## Circular Pot Class

We will be making this in similar colors, so I suggest you bring at least 4 spools a mix of

- Orange
- Fresh Green
- Yellow
- Pink

You will also need the P5 Cording Foot (Babylock) and the Piping foot large for Bernina L890

Babylock Curved foot if you have one
