Palette 11 Software Projects

After you have registered for your class, show this supply list to receive a 20% discount on the class supplies listed*. Please shop early, as we cannot guarantee that all machine accessories and class supplies will be available the day of class.

Before you come to class:

Install Palette Version 11 Software and update the software to Version 11.30

You must be proficient in navigating your PC.

The prerequisite to this class is Beginner Palette 11 Software Class.

You will edit designs and add to existing designs. Learn how to create an applique, quilt block construction in the hoop and convert a photo to a fill stitch design. Make in-the-hoop Edge to Edge Quilt patterns. You will also create new fill stitches and motif stitches to use in IQ Designer.

No sewing machine is needed for this class.

Machine
- LapTop in good working order with Palette 11 installed and updated to version 11.30, power cord.
- Palette Software Key (dongle)
- Mouse
- USB Stick (Thumb Drive)
