Allegro

Quilting and Sewing Machine

12" Work Space

Making a larger quilt or working on a bulky project? No problem. The Allegro has an expanded throat space that gives you plenty of room to work comfortably.

Built-In Needle Threader

With just a few simple motions, your needle is threaded and ready to use. There's no guesswork, no near-misses and no frustration!

LCD Screen

Choose stitches, adjust stitch length and width, mirror image, and more using the LCD screen.

200 Built-In Stitches

Take your creativity to new heights with 200 built-in stitches, including 56 utility stitches with 11 one-step buttonhole styles, 144 decorative stitch patterns, and 2 built-in alphabets.

Programmable Needle Up/Down

You can choose to have your needle start in the up or down position, eliminating interruptions and making it easier to complete your projects faster. It's the perfect option for chain piecing and appliqué!

Straight Stitch Needle Plate

Use the included straight stitch needle plate to precisely piece quilts or sew with fine or delicate fabrics.
