English Paper Piecing

- Pattern: If you are planning to make a larger project get the Playing with Paper set 6 by Sue Daley. If you are planning something smaller, just get a single package of 1 1/2" Six-point star and 1 1/2" Hexagon papers with their respective templates.
- Rotary cutter, small ruler, and a mat. If you have a revolving mat, bring it along.
- Fussy cutting mirror – If you don't have one, don't go out and buy one until you see it demonstrated in class.
- Bottom Line thread or threads that work with your fabrics.
- Needles – I'll be showing different sizes and brands in class, so just bring what you have, and we'll see if they work.
- Thimble if you need one – I can't pick up a needle without one.
- Glue pen by Bohin, Sew Line, Appliquick or Sue Daley.
