

BERNINA 990

Virtual Quilting Event

Ready to Quilt Smarter?—Discover the B 990 Difference

Join us for an inspiring virtual event and take the next step in your quilting journey. Whether you're eager to learn computerized quilting in the hoop or looking to refine your free-motion quilting skills, the BERNINA 990 is here to help you.

Hosted by B 990 expert Connie Fanders, this event will inspire you while highlighting how the B 990 simplifies all forms of quilting, ensuring you quilt with ease, efficiency, and get professional-grade results.

What You'll Learn...

- Precision piecing techniques
- Tips for straight line quilting with a dual feed or walking foot
- Creating custom quilted fabric from a single decorative stitch pattern
- Perfecting free-motion stitches
- Easy block and border placement while quilting in the hoop
- Bonus: Personalization with lettering!

Date:

Friday, January 30

Time:

10am-2p

Fee:
