

## **TWISTED TOTE**

This class is designed to meet for a short class to get you started making your blocks and then go home to complete the blocks. Then we'll get together in a week and put the tote together.

If you would rather make the blocks and quilt them your way, that is a possibility. In other words, you don't want to embroider the blocks, but want to make the tote. You still will need to come to both classes and purchase the design collection.

Supplies:

Pattern available at [Hoop Sisters.com](http://HoopSisters.com) Twisted Tote

HOOPShape available through Hoop Sisters (I used Soft and Stable which we have available.)

A detailed supply list comes with pattern and is based on size you choose to make but for medium you will need  $\frac{1}{2}$  yard focus,  $\frac{1}{4}$  yard each of 4 fabrics,  $\frac{1}{4}$  for handles and  $1 \frac{1}{4}$  yard for lining. Large takes  $\frac{5}{8}$  yard focus,  $\frac{1}{4}$  yard each of 4,  $\frac{1}{2}$  for handles and  $1 \frac{3}{4}$  for lining. These are all generous amounts but if you want to play with colors as you design, then these are a good idea.

Zipper by the yard - we will be ordering so don't get it at JoAnn's.

Embroidery threads

Vanish Lite thread water soluble thread, optional

Regular sewing thread for putting together
