

CHICKEN & QUILT BLOCKS Supply List

Fabric for Blocks:

Nine - 5 ½" squares for the background (you will be stitching the designs on this fabric)
18 - 3" squares, cut diagonally to produce 36 triangles (Note: the book calls for 2 7/8" squares.
An update on the website www.piecinthehoop.com suggested using 3" squares)

Fabric for Borders:

Two - 3 ½" x 16" strips
Two - 3 ½" x 24" strips

Fabric for Backing:

One - 26" square

Fabric for binding:

One strip, 5 ½" x 40"

Batting:

One - 26" square

Stabilizer:

The book recommends Floriani No Show Mesh Fusible stabilizer because it eliminates the need for a temporary spray adhesive. If you have that, that is fine. A small craft iron is then needed to fuse the fabric to the stabilizer, right in the hoop.

I used a polymesh cut-away stabilizer and blue painter's tape to hold material in place. You could also use a tear-away stabilizer.

Also:

Thread - Neutral thread for piecing

Embroidery thread for bluework (or choose your own color to match or contrast with your fabric).
If you want a more hand-stitched look, use a cotton thread.

Hoop that is at least 5" x 7"

Embroidery designs: (From CD included with book) To locate the designs, put disc in your computer. Click **START**, then **COMPUTER**. Locate the drive that your disc is in and double click. Click the file that says **Embroidery Patterns**. Your format will now appear in a folder. Copy these to your USB stick.

Class Policy:

Register early to guarantee your space in class.

Please bring all items on supply list or be prepared to purchase them. Please arrive 10 minutes prior to class time to set-up. All prep specified on supply list is to be done ahead of time.

Out of respect to the teachers and other students: only paid students may be in the classroom during class time. No children/pets, cell phone use or perfume allowed.

If you are unable to attend, please call so the class is not held up.

Refunds will be given up to 7 days prior to the class date.
