

Friendship Star
Beginning Quilting

Discover the world of quilting by learning quilting tips from how to press your fabric to finishing a project by adding the binding. Ever want to know if a piece of fabric is 100% cotton or how to square up your fabric before cutting it? Well this class is the one for you.

The Friendship Star will introduce you to the technique of working with fabric that is cut on the bias. You will learn everything from how to press and cut your fabric to adding your binding once your piece of art is all layered up. This is a full day of having fun and being creative.

PATTERN: Friendship Star by Alex Anderson

SUPPLIES: Start Quilting book available at Becky's Fabric, rotary cutter, sewing machine in good working order (bring your instruction book), blue painter tape-any width, basic sewing supplies-scissors, pins and the like, rotary cutting guide-6" x 12", thread-I recommend Mettler, Microtex needles for your machine, 1/4" presser foot if you have one and any other tools that you usually use.

FABRICS: As listed in the pattern, pre-washed and batting as listed in the pattern.

Bring along a sack lunch.
