

LANDSCAPE SILHOUETTES

Embroidery machine

Hoop size based on the size you want to make (sample was made in the jumbo hoop)

Double curved scissors

Anita Goodesign collection *Landscape Silhouettes* – please have your design loaded onto your machine or USB before coming to class and know which one you plan on stitching out

It is also very helpful to have printed instructions to follow so you know what is happening with each step

I would strongly suggest that you start looking at and even taking pictures of sunrises and sunsets to help you choose your fabrics for background; see your instructions for how many different pieces of fabric you will need for your chosen design

Fabrics and batting

Stabilizer – poly mesh – you will likely use 2 or 3 layers

Threads to match your background fabrics, variegated threads are especially nice for the outer stitching, and a dark thread for the silhouettes

I need to know how many and size of blocks you plan to stitch as I will be ordering the sparkle organza for the class so I need to make a yardage estimate

Class Policy:

Register early to guarantee your space in class.

Please bring all items on supply list or be prepared to purchase them. Please arrive 10 minutes prior to class time to set-up. All prep specified on supply list is to be done ahead of time.

Out of respect to the teachers and other students: only paid students may be in the classroom during class time. No children/pets, cell phone use or perfume allowed.

If you are unable to attend, please call so the class is not held up.

Refunds will be given up to 7 days prior to the class date.
