

“Panel and Large-Scale Prints” Class Supply List

One or more panels or a large-scale print. Your panel can be any size.

This is a lecture class, not a technique class, so you do NOT need to bring sewing supplies. We will be discussing tips on using panels, and how to figure out the math for designing your own unique pattern to fit your particular panel. I will have several books for you to look through for possible ideas to use with your panel or large-scale print. I will provide you with a few websites that have free patterns. And lastly, I will show you a few examples of what I have done with various panels.
