

QUICK CURVE RULER TABLE RUNNER

FABRIC:

Background: ½ yd plus 4"

Curves: ¼ yd of each of two colors (if you want to use more fabrics and mix it up a bit, just bring ¼ yard of each fabric)

Backing: 1 2/3 yd

Binding: 1/3 yd

Batting: Table runner is 14" x 52" – you will want batting slightly bigger so you can trim after quilting.

The pattern for this table runner is included with the Quick Curve Ruler when you purchase it. We will cut out the table runner in class. We will complete as much of the sewing as possible in class but we may not get done. It is more about the technique - using the ruler and sewing the curves.

You may want to bring some scraps of material to practice cutting and sewing the curves before you actually begin the table runner.

Also:

I will have several cutting stations set up. You will need to bring your favorite rotary cutter (either 45mm or 60mm)

Sewing machine

¼" foot

thread to match your fabric

scissors

any other sewing supplies you normal use
