

## QUILTING WITH YOUR EMBROIDERY MACHINE

Embroidery machine

Largest hoop size that your machine will use

Design(s) of your choice for quilting; we will experiment with using your built in machine designs for quilting in the sashing and borders. Designs that work for quilting the main surface can be found at embroidery on line, as borders used by AnitaGoodesign, or as quilting designs from a wide variety of web sites – see what you can find; your machine also has some very good designs to use

You need to have something to quilt – a quilt sandwich that can be a table topper, a baby or small blanket, or a pieced and sashed something that needs quilting

Choices of stabilizers – Aqua Film or Fusible Tearaway

Thread that you would like for quilting for both top and bobbin

Needle size depends on the thread weight – King Tut requires a size 90

Tape measure or ruler that measures in metrics

Calculator

Scratch paper

Marking pencil

Class Policy:

Register early to guarantee your space in class.

Please bring all items on supply list or be prepared to purchase them. Please arrive 10 minutes prior to class time to set-up. All prep specified on supply list is to be done ahead of time.

Out of respect to the teachers and other students: only paid students may be in the classroom during class time. No children/pets, cell phone use or perfume allowed.

If you are unable to attend, please call so the class is not held up.

Refunds will be given up to 7 days prior to the class date.
