

SNACK BAGS

You will make one or two zipper bags using commercial food/snack bags so begin to look for your/their favorite snack so you can purchase it before coming to class. Very carefully open the bag and empty out the contents—just cut off only one end as close to the seal as possible

SUPPLIES needed:

Piece of fabric and batting the size of the bag

Thread that matches or coordinates with the snack bag

Zipper that is longer than the bag by at least 2 inches

Sewing machine with general purpose sewing foot -- 1, 1C, 1D and a zipper foot 4, 4D; seam guide to insert in back of foot

If you have the Missouri Star BLOCK volume 2, issue 4, the instructions are printed in that Fusible Pellon vinyl; I will have some available but if you really get into making these, you may wish to purchase your own supply

General sewing supplies such as thread, bobbins, scissors, rotary cutter, marker etc.

Register early to guarantee your space in class.

Please bring all items on supply list or be prepared to purchase them. Please arrive 10 minutes prior to class time to set-up. All prep specified on supply list is to be done ahead of time.

Out of respect to the teachers and other students: only paid students may be in the classroom during class time. No children/pets, cell phone use or perfume allowed.

If you are unable to attend, please call so the class is not held up.

Refunds will be given up to 7 days prior to the class date.
