

SPINNING OCTAGON PILLOW CASE

The Sewing Revolution pattern Spinning Octagon Pillow Case

The Sewing Revolution 6/8

The Block Marker

Sewing machine and general sewing supplies

Rulers – 3" X 18", 1 ¼" X 12", 20 ½" square

Small iron and mat

Steam-A-Seam Lite ¼"

Marking pencil or pen

Small fabric scissors

Pins

Paper on which to draw your working octagon especially if you are centering a print or an embroidery design

Fabric – see pattern back and then please pre-cut these pieces before class – **at least have the 1 ¼" pieces cut.** I didn't use the exact sizes of the other pieces (the sashing or borders) because I changed the overall outer size and shape.

I am not planning on class time to embroider your center; that will need to be completed before class or just choose a printed fabric piece for the center octagon.
