

In A Pinch

Inspiration: Thimbleberries Tree Farm
 64" x 80"
 October 2025

This is a simple pattern that builds out from a large Center Square. Use a panel portion or large, fun print for the square.

Make Checkerboards using strip sets. Cut each strip set into 2½" pieces. You will need a total of 76 pieces. Join 19 to make each section. Add one Checkerboard section to top and bottom of square.

Add Highlight strips to top and bottom.

Add another Checkerboard section to top and bottom.

Add border pieces in order listed to the right.

Sandwich with batting and backing, quilt, and bind.

That's it! You're done!
