

Accessing the Sewing Club Membership Site

The **Sewing Club Membership Access Site** is where you are able to access handouts, patterns and videos for the Sewing Clubs that we have done this year. Once you have purchased the membership and we have added you as a Sewing Club Member.

There is also a **Sewing Club Membership Shopping Site** where you will see the featured products offered at 20% off of the regular price with the tax already included. You will also be able to purchase any of our sewing notions and fabric at the discounted price during any or all four of our Sewing Clubs in either store. You can do this by calling us, ordering online or coming into the store.

Instructions on how to access the Membership Site:

1. When you go to our website at: www.pollardsewcreative.com you will find a tab at the top of our website **Sewing Club Membership**.
2. When you click on that link you will see another link - **Membership Access Site** it will prompt you to add a user name. Your **Username** is your **email address**.
3. Your **Password** will be **changeme** (but only the first time that you try to get into the site), you will then be prompted to enter your own password that you and ONLY you can remember and see. Please do not share this with anyone and you might want to write it down. Keep it simple!

Once you set your password, you can go into the membership site and shopping site using your email address and the password that you set. If you forget what your password is, no problem we can reset it for you (call us or email us) and you will begin the process once again by typing in **changeme** and putting in a password that works for you.

Please feel free to let us know if you have any questions.
