May Quilting Retreat

May 7th , 8th, 9th & 10th 2026

Please READ and keep for Your Records.

This is a wonderful event to treat yourself or someone you love!

Join us for a special Mother's Day weekend quilting retreat where you can sew, relax, and spend the weekend at the beautiful Golden Eagle Lodge in Waterville Valley, NH. As is customary for our retreats, we will offer optional, informational demos/talks to provide helpful hints & techniques.

This is our first retreat at this venue; it will vary from our standard retreat set-up.

The Golden Eagle Lodge features individual suites with a living room, bedroom, bath, and kitchen. It is important to note that sleeping accommodations vary by unit and can include a single queen bed, a full-sized bed with an additional single bed, a set of bunk beds, or an individual bedroom with a separately located Murphy bed. When making reservations for these types of sleeping accommodations, it is important to note how many guests will be occupying your suite. Daily maid service is included.

Also, since all units have fully equipped kitchens, individuals will be responsible for their own breakfasts and lunches. We will provide a group dinner on Thursday (pizza night), and on Friday and Saturday evenings. There is a pool, exercise room & hot tub on the premises. The lodge has a private walkway to the Village Square, which features restaurants and shops.

The sewing area will be in the Alpine Room, which is located on the lower floor. There is a separate loading and unloading entrance in that section of the building. Please note that there are stairs to reach that area. If coming from the resort's main lobby, there is an elevator down to that floor, but again, there are a few stairs to reach the sewing room. Any mobility restrictions MUST be considered and noted at the time of registration.
