

## Time to Move Your Vehicles

**Q:** After a snow storm, how long do I have before I need to move my vehicle off the street?

**A:** In Brigham City it is unlawful to park or leave any vehicle on the street anytime snow removal is taking place. Essentially, if the weather prediction is that a snow storm is coming, please move your vehicles off the street.

**Q:** What if my neighbor leaves their vehicle out in the street? Can I call and report that?

**A:** Yes, you can call the non-emergency dispatch line and make a report, however, our plow drivers do pay attention to what vehicles are left for periods of time and report them to the Police Department.

**Q:** What can happen if I leave my vehicle out at the curb?

**A:** The vehicle can be towed at the owner's expense and/or the owner cited for failure to comply with the ordinance.

More importantly, the plow drivers cannot do the best snow removal job when they have to swing out to miss cars at the curb.

**FYI: Year Round** 72 Hours is the Max time you can leave a trailer on the street.

## Mayor's Message-Winter

The year 2020 has come to an end and will soon be a distant memory. I hope we can each take a moment and think about what good things we learned. We should all anticipate a brighter future, but never forget to enjoy the present. I feel blessed to have had a opportunity to be the Mayor of Brigham City. This is my hometown. My family and I visit other places, but I always look forward to coming home. Please join with me this year in realizing how fortunate we are to be able to call Brigham City "Home".
