

Mayor's Message

In a world that focuses so much on the negative, I would like to take time to accentuate and highlight the positive. We live in a community where you don't have to look far to see good. Our City is a caring environment with thoughtful citizens and organizations like Habitat for Humanity, Box Elder Family Support Center, Ladies Community Club, Civic Improvement Club, Kiwanis, Rotary, Boys & Girls Club, the Box Elder Food Pantry, and the list goes on and on. These dedicated groups are not only committed to their individual causes, but to the betterment of our City. Countless volunteers invest themselves and their resources to the improvement of those around them.

We appreciate all those who do not fan the destructive flames of controversy, but go to work building foundations for positive change. Thank you to all who tirelessly work to bolster our community and patiently stand for good.

Tyler Milner

Acceptable materials to place in your recycling "blue" can.

- Paper & Newspaper
- Steel, tin & aluminum
- Cereal boxes
- Plastic bottles/containers
- Paper grocery bags
- Food and beverage cartons
- Catalogs & Phone books
- Cardboard
- Items that have the recycling symbol

Welcome Spring!!! After a long and sometimes difficult winter, it is wonderful to welcome back spring.

"Some old-fashioned things like fresh air and sunshine are hard to beat". *Laura Ingalls Wilder*

Please be aware that placement of signs in public right-of-way (space between the sidewalk and curb) is not allowed. If you are having a yard sale, we wish you the best of success, but please don't attach signs to the trees, signs, posts or poles around town. You may say that one sign doesn't make that much difference but one sign leads to another, and another, and then - what a mess!

Brigham City's Mayor for a Day Essay Contest Winners

Winners and Runners Up in each division:
Back row—Duncan Christensen, Mayor Vincent, Alivia Bingham, Amalia Sepulveda, Annemieke Jensen. Front row—Ashlyn Mellor, Abby Musselman and Anna Packer. Not shown in photo: Briann Tomlinson

The Mayor for a Day essay contest winners were given their awards on March 20th. These entries were chosen from a number of essays written by children in our community. Each of the four winners was awarded \$50. The four runners up each received a gift basket. We were really impressed by the thoughts of the youth. Interestingly, the number one concern by far was litter and the need for cleaning it up.

Spring Cleanup!!

Need a way to get rid of some of the items that have accumulated in your home and yard over the winter? We can help! Spring Cleanup will soon be underway!!

Double trash pickup begins April 9 and runs through April 27, 2018. During this time residents may place their black trash cans out the day after normal trash collection day for an extra pickup during the week.

We will also be having our annual City Pride Cleanup which will begin Saturday March 31 and run through Sunday April 8, 2018. This cleanup helps residents to dispose of items that

are too large to put in residential containers. All such items should be taken to 1650 West Forest Street between the hours of 7a.m. and 7p.m. This service is only for residents of Brigham City. No commercial dumping will be allowed AND proof of residency will be required.

Questions? Call Public Works at 435-734-6615

Along with Springtime comes the season of construction. Please be aware that crews will be out working on improving and repairing our City streets.

Please watch for them and slow down.

Please be aware of activities around you—people walking and riding bicycles and children playing.
