

Mayor's Message Summertime

Welcome to Summer! This is a special time of year when we can get out and enjoy time with family and friends making great memories. We have several activities and events for all ages - concerts, movies, sports, swimming, fireworks and more. I encourage each of you to take advantage of these activities but be careful in the sun—don't forget your sunscreen.

Enjoy your summer!!!

There are many projects going on throughout the City at this time of year. We try to reduce the interruption to your every-day lives, but sometimes it cannot be helped. The warm weather months are the only time when we can do street improvement work and other construction projects.

If you would like to be informed about projects going on throughout the City, you can get on our email list by contacting Jolene Crockett at jcrockett@bcutah.org with "email database" in the subject line.

Brigham City is pleased to invite everyone to join us in celebrating America's Independence on Wednesday, July 4th at Rees Pioneer Park.

The day's events will kick off with a breakfast served from 7:30 to 10:30, and a patriotic program at 8:45. The pool will open at 10am and the Teens T-Ball Tournament will also start at 10. The annual horseshoe tournament begins at 11. Then we will take a break so that employees can enjoy time with their families. Be sure to return to the park at 8:00pm to listen to the music of the Greg Simpson Band, followed by the fireworks show at dark!!!

Splash Pad Construction: The official groundbreaking ceremony for the Brigham City Splash Pad took place on Wednesday, May 23rd.

During the ceremony Heather Turner made some comments on behalf of her mother, Tere Moore. In part she said, "You are investing in the happiness of children and families and there is compassion and nobility in donating to that particular cause." She went on to say, "You may not be able to count any tangible income or benefit to the City because of this facility, but come by when it is opened and count the smiles on the faces and that just may be worth more."

"Thank You to all the generous donors from Rotary Club who have helped to make this project possible." Mayor Vincent

"The opposite of play is not work—it is depression."
