

Mayor's Message

Fall

Fall is here and I hope you all have taken a chance to get out with family and friends to enjoy the outdoor events and activities available in our community.

The crisp cool air and the abundant harvest of fruits and vegetables will soon be replaced by the cold winter weather. Be sure to take the time to appreciate the amazing fall colors and the last days of warm sunshine.

I love this City and the people who call it home. Since there is not another newsletter before the holidays, I would like to wish you all the best that the Holiday season has to offer.

About Town Scavenger Hunt

Each year the Recreation Department gathers a list of homes for the "About Town Scavenger Hunt." People decorate their homes for Christmas, and items in their display are listed on the scavenger hunt sheet. Families then spend some time in December driving around town looking at decorations and filling out a form. When they have found all of the items on the form, they can return it for a free cookie from Old Grist Mill.

If you have a home that you would like to have added to the list, please contact Sherie at 435-734-6608.

Mayor Vincent would like to boost the feeling of community throughout Brigham City. We joined with Kent's Market, Smiths Food, Walmart and the Brigham City Community Hospital to provide a free concert and BBQ on the Bill of Rights Plaza in August. There was a great turnout for this event and we want to do more. If you have any suggestions on events that may foster feelings of community pride, please send your ideas to Donna at dpett@bcutah.org or call her at 435-734-6612.

Leaf Collection

As fall leaf pick up season approaches, please note it is our goal to pick up leaf piles once per week in each area. This may change due to weather or work loads. Residents should pile leaves in the park strip—not in the gutter. The collection days are: Mon: west side of Main to 1200 W, south side of Forest to 1100 S; Tue: west side of Main to 1200 W, north side of Forest to 1500 N; Wed: east side of Main to 1300 E, Forest to 900 N; Thu: east side of Main to 1000 E, south side of Forest to 1100 S.

Fall Clean Up

Fall Clean Up will begin on October 15th. This will be the first extra trash day for residents whose regular collection day is Friday. Friday, November 9th is the last day of double trash pickup for those whose regular collection day is Thursday. After double trash pickup, green waste cans may be used for household garbage until spring.
