

Mayor's Message

Summertime

Friends and neighbors, I am so impressed with the ability of Brigham City residents to buckle down and handle changes as they come. Even though we are all feeling a bit stressed and overwhelmed with the constantly moving instructions from the State of Utah and the Health Department related to Covid-19, you are showing a resilience and ability to overcome that is awe inspiring. Whether it is helping your elderly neighbor with grocery shopping, ordering take out food from a local restaurant, giving a caring smile and greeting to someone, or a thousand other little acts of kindness, we will all get through this together. We have been keeping a constant eye on the directives given to us and implement them based on what we believe is in the best interest of our citizens. We will get through this together. Thank you for your support.

Encouraging Kids to Read this Summer
Summer Reading for ages 2-17 will be happening this summer at the Brigham City Library. Due to COVID-19, we're moving it online for most readers, although a paper-based option will still be available for readers who prefer it or do not have online access. Please let readers in your life know about the program. For information, contact Michele or Connie at 723-5850.

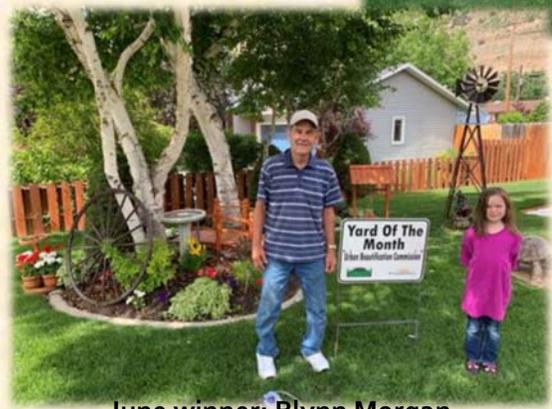

The annual Community BBQ & Concert at Bill of Rights Plaza has been postponed pending further information from the Health Department. We are hopeful to continue with this event later in the season.

Yard of the Month

Brigham City and the Urban Beautification Commission are once again holding the Yard of the Month contest throughout the summer months.

Please help us recognize those who take time to beautify their yards and, in turn, beautify our community! Nominations can be made by calling Jolene at: 435-734-6615 or email jcrockett@bcutah.org.

June winner: Blynn Morgan
