

## Mayor's Message

A crisp coolness has begun to replace the heat of summer. Soon the leaves will change color and fall to the ground. Brigham City is alive with the colors that precede the entry of winter.

We are blessed with an abundant harvest of fruits and vegetables we can enjoy from farmers who live and work right here in our community.

Thank you all for the opportunity to serve as Mayor of Brigham City. I love this City and the people who call it home.
