Fees on this permit are subject to change because of materials and labor cost fluctuations!
If your project does not begin within 30 days of issuance, additional fees may be applied.

This permit, once issued, becomes null and void if work or construction authorized is not commenced within 180 days, or if construction or work is suspended or abandoned for a period of 180 days at any time after work is commenced. All provisions of laws and ordinances governing this type of work will be complied with whether specified herein or not. The granting of a permit does not presume to give authority to violate or cancel the provisions of any other state or local law regulating construction or the performance of construction and I make this statement under penalty of perjury.

I agree to abide by the service regulations of Brigham City's Public Utilities. I further agree to pay Brigham City all incurred charges for utility services rendered as requested herein. In the event that I fail to pay for utility services when due, I agree that utility services may be discontinued and I will pay all costs of collection, including a reasonable attorney's fee, court costs and collection fees of up to 50% of the balance due. I hereby certify that I have read and examined this application and know the same to be true and correct.
